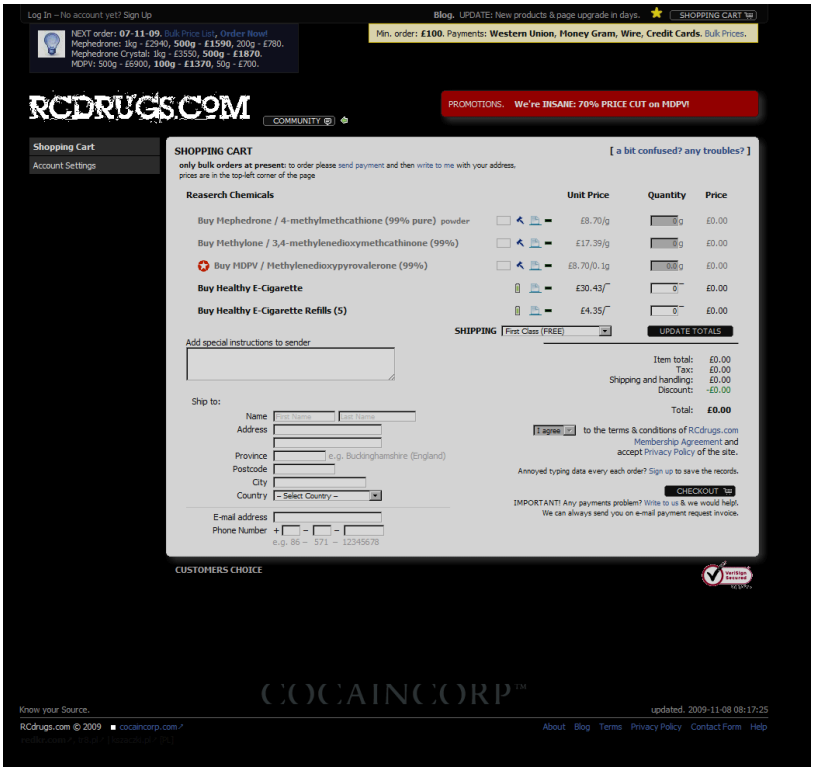
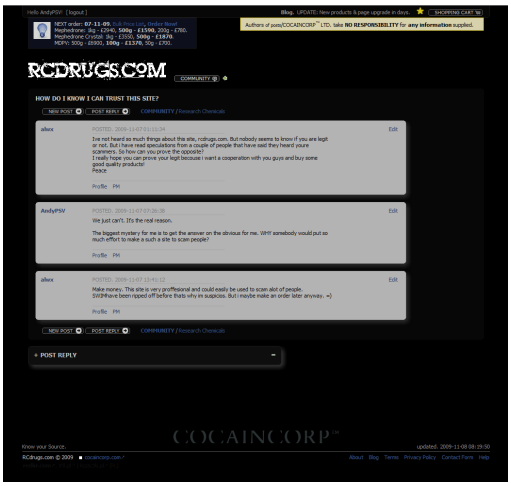
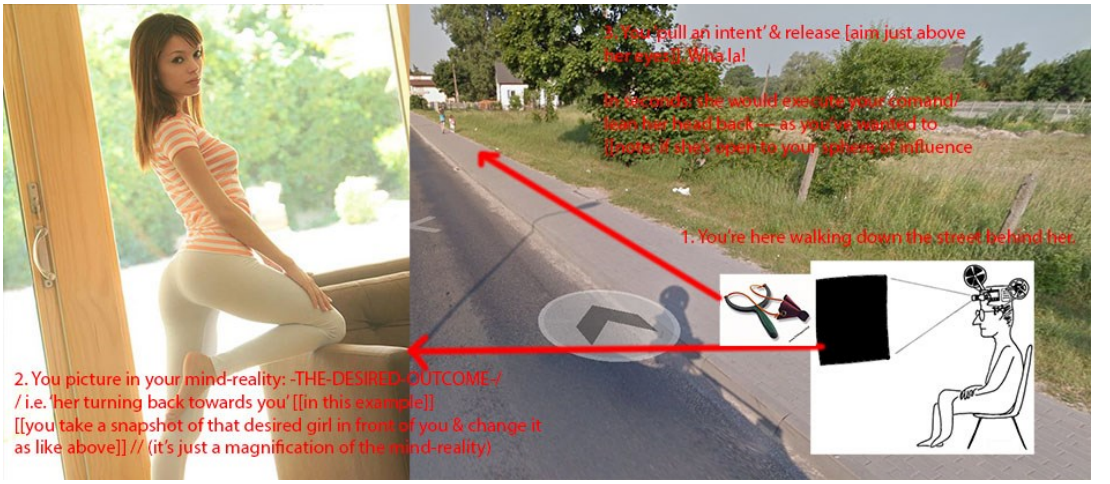
In years 2008-2009 in the span of 6 months earned [pure profit] 135 tys. złotych through the sales of so-called Research Drugs which are Developmental with substances like Mephedrone and MDPV [[which were 100% legal at that time-period





0.17. PRESENTATIOn OF TECHNOLOGY

In the Span of Summer 2017 Author has developed technology which allows for a female to have lack of Control over her Mind & Body; in effect: You're able to steer her with your mind as follows



[50] (it was tested in the field with Success --- also on females)

/ where:

* Did you Know that just 3 (three)[51] Men in the ENTIRE World Know how to fuck properly Women?

* Author projects/ plans also, that you'd be able to Control her Mind Via your+Mind as you'd be walking an Avatar [[because The Devil (himself) [Lucifer] telepatically offered Author a Deal which he Valued the Most and asked for Permission to his Mind to deliver --- it was rejected because he was Never-able to Deliver]]

It's All planned *Far* further although just to give an outlook of what Has been developed.

[50] EXACTLY as it is written (Manipulation level 5 deals with it). To have access to so-called Mind Mind-Reality: you're required to have unlocked pineal gland for which there are special herbs.
[51] Including in it Author.

from where:

* Technology is based on birth Horoscopes [[which Builds on birth Traits of Women and Develops them]] --- see Contact {also Yours}

* In the book there would be presented Techniques of Seduction that were used by Females on the Author [[over 153

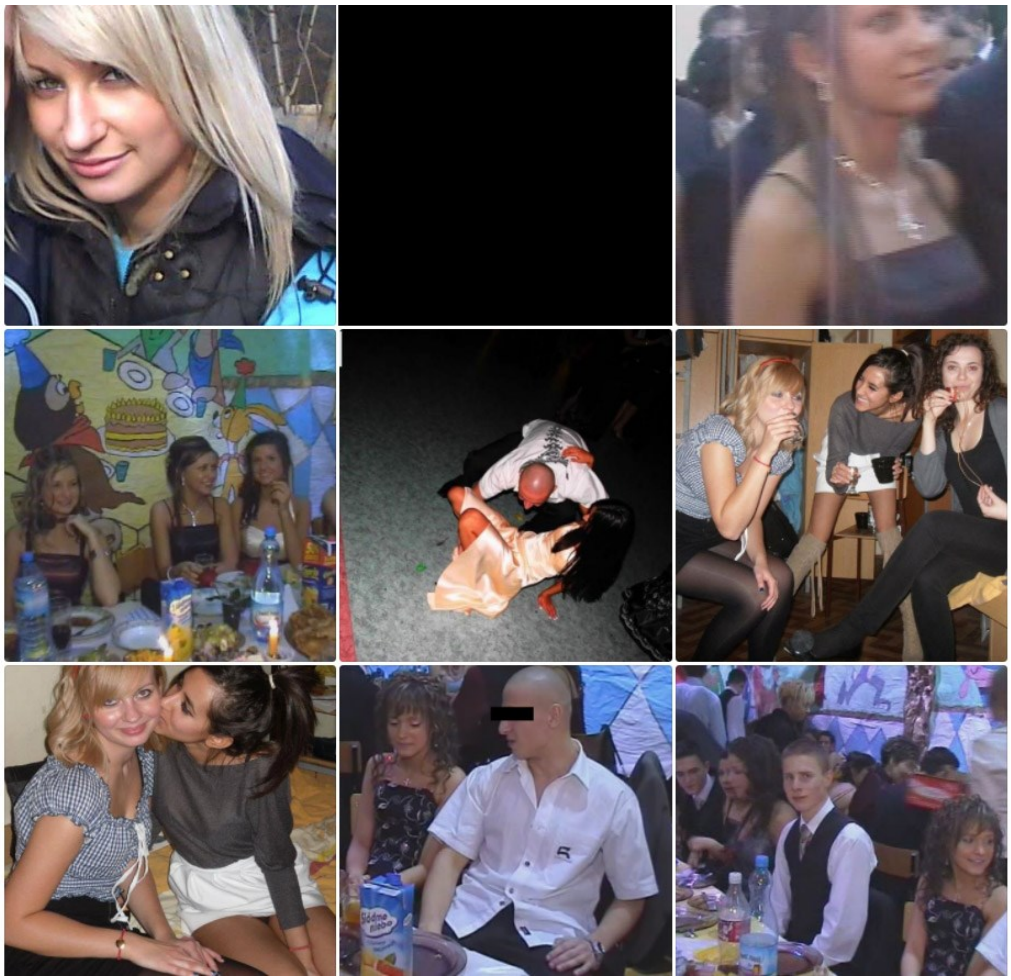
[..]

* Predicted is also Presentation of technology for the Opposite sex
[[Females controlling men (although in Version different that is commonly thought)]]

0.19. TYPES OF AUTHOR FEMALES

Representational [[females that were/ are Interested in Author

And also



(or the Author could have had)

0.19+ IMPLEMENTATION OF TECHNOLOGY

It's varied due to Agenda/ #2 although:

* Support of female [Slave] through providing her with the Knowledge (ev. Some functional funds, care, Contacts or also else) or by Enabling her to Achieve: Success in provided by Her fields or also those Selected *From* her free will --- to pay 90% of earnings [[rest 10% can Also by used to [..]

* Introductory for the Agenda spheres of work to be Executed & Delivered *Forever* with Success

* Sale for the Slavery [[dependent on the Agenda]]

{With also} It's required to notice that Women with n0-such support have lack of Possibility to Achieve in selected by themselves [[by-birth]] fields/ spheres or also those imposed and All-that with-n0ne of creating Karma/ #1.2.
